Supporting the Future of Agriculture on the Yorke Peninsula

The Yorke Peninsula Field Days, a not-for-profit organisation, is committed to promoting agriculture and connecting the local community with industry leaders. We are excited to announce our upcoming event, scheduled for 30th September, 1st and 2nd October, 2025, and are seeking your support to help us build a new function centre that will better serve the community. With the office building nearing completion, a new function centre is Stage Two of the project and will complete the overall structure.

Your Sponsorship Impact:

By sponsoring the Yorke Peninsula Field Days, you are not only investing in the success of our event but also contributing to the growth and development of the agricultural industry on the Yorke Peninsula. Your generous and tax deductible support will help us create a state-of-the-art facility that will serve as a hub for information, education, and networking.

Join Us in Building a Brighter Future for Agriculture:

By becoming a sponsor of the Yorke Peninsula Field Days, you are making a significant contribution to the success of our community and organisation. Your support will help us complete the construction of our new complex and create a lasting legacy for generations to come. We invite you to partner with us and share in the rewards of a thriving agricultural industry on the Yorke Peninsula.

Official Opening of Office Complex:

The official opening of Stage One of our Office complex is on Friday, 4th April, 2025. We encourage you to attend and experience the day as we ensure the YP Field Days is at the forefront of Agricultural Field Days for years to come.

Different Sponsorship Levels for Office Complex:

Different sponsorship levels are explained overleaf.

Please indicate your willingness to support by utilising the attached tax invoice.

Deadline to participate is Friday, 28th February, 2025.

Sponsorships are tax deductible.
